WELCOME TO ST MATTHEW'S FOOD PANTRY

WHAT'S OUR MISSION STATEMENT?

Our core values encompass compassion, integrity, inclusivity, and collaboration. We stand united in our mission, working towards a hunger-free community and a better tomorrow for all.

"At St. Matthew's Food Pantry we strive to provide people with their monthly groceries in order to help them keep their families fed. By doing so we help give back and keep our community strong."

HELPING THE COMMUNITY ONE PERSON AT A TIME

HERE ARE JUST A FEW THINGS TO KEEP IN MIND:

- Families can come to the pantry once a month on any of the days we are open
- We offer drive-through service so families don't have to wait too long
- Proof of residency required for Limerick, Newfield and Parsonsfield using a current electric bill, no PO Boxes

IT'S ALL ABOUT COMMUNITY...

...AND LENDING A HELPING HAND

Our mission is to bridge the gap between hunger and abundance by offering nutritious food and essential resources to those in need. With the support of our volunteers, donors, and partners, we strive to create a welcoming and inclusive environment..

We also offer a free Senior Food Commodity Program for seniors age 60 and above. They receive a 28lb box of food with cheese each month. They only need to fill out a simple form..

GIVE A LITTLE, GET A LITTLE

Donations are the life-blood of our food pantry. We rely on the support and generous giving of members of our community.

We will happily take donations of pasta, cereal, rice, fruit, beans, soup and sauces, as well as peanut butter and fresh vegetables.

Interested in volunteering? Stop by the pantry on one of the days we are open and talk with our coordinator. You'll enter a stranger and go away a friend.
